

WORKING AT TRAFFORD COLLEGE

Trafford College is an exciting and vibrant place to work and study. The College offers a range of courses at every level including vocational courses and Apprenticeships. We are extremely proud of our students' achievements. From their outstanding exam results to showcasing their skills at national competitions our students are testament to our commitment to innovative teaching and learning.

Trafford College has been awarded National Skills Academy Status for excellence in Retail, Sport & Active Leisure, Hospitality and Financial Services and holds STEM Assured status. In 2015 Trafford College was recognised as 'good' by Ofsted.

Trafford College has placed itself firmly on the map as one of the leading providers of education and training in Greater Manchester, offering responsive provision which meets the needs of young people, adults and employers alike.

The success of the College is achieved through the dedication of our staff who are committed to realising the College's shared vision of inspiring minds and connecting people.

As a learning organisation Trafford College exists to help all students and staff to achieve their full potential. Our aim is to be a truly inclusive organisation where individual differences are respected, valued and celebrated. Trafford College has a long tradition promoting equality and diversity and recognises the valuable contribution made by the diverse workforce it employs.
